

OUR MISSION

GIVE A CHILD HOPE TODAY

HELP US TO SHOW THEM THAT THEY
HAVE NOT BEEN FORGOTTEN

Provide basic necessities, such as food, clothing and shelter, to orphans and homeless children living in the former Soviet bloc countries. | Assist them in gaining necessary skills to become self-supporting functional members of society. | Increase public awareness to the needs of disadvantaged and less fortunate children.

WHO DO WE HELP?

Orphanages and shelters that receive our help are registered non-profit organizations with at least a 5-year track record. | We have personally established contacts with them and have verified their documents, audit records, and project cost estimates. | iOrphan is run entirely by dedicated volunteers. That means that 100% of your donation will go directly to help the orphans.

WHAT HAS IORPHAN DONE?

We supplied funds to replace old doors, windows, floors showers, and toilets. | We've provided medical supplies, medicines and therapy equipment. | We've purchased books, school supplies, Montessori equipment, school clothes, winter clothes, shoes, boots and toys. | We've enabled orphanages to expand their skills training programs. | Dozens of children have been provided with sponsors who help see to the child's immediate needs and give them the knowledge that somebody, somewhere cares for them. | Massage therapists have been hired for baby and special needs orphanages so that the little ones are provided with basic human touch.
