Dear Friends !

We were happy find out, that in far America at us new friends have appeared.

Yes, friends!

Only the true friends can so will quickly respond to shout about the help.

It is difficult for us to transfer words our feeling of the deepest gratitude to you.

We are very much touched with your noble act

Thanks you for your material aid in purchase, for our organization of the Minibus.

You have helped us to solve one of the most essential our problems, purchase of a minibus

«Hope Family Commune» is engaged in rescue special categories of Children, in St.-Petersburg and in a part-time farm of a commune settlement Tervu republics of Karelia.

Our Pupils of a commune from among children and the youth, the parents who have lost care which are taking place in social - dangerous position, requiring for social rehabilitation.

They are Children of 12-20 years who appeared thrown out for a board of a life which in the recent past lived in the street, spent the night in cellars, Appeared Rejected the state.

Because of absence it is state financings, Hope Family Commune is compelled to solve problems of a survival, self-maintenance independently.

We realize that we manage to return our pupils to a society only because we have such friends and adherents, as you.

Thanks the God and destiny, that in our difficult I fight for a life and the future of everyone the child, you have risen near to us

With you the God.

Take care,

With feeling of deep love and gratitude!

Always yours

Eugeny,

Lyudmila,
