

## Implementation of project “Medicine, hygiene products, instruments”

Ascent foundation provided **42’152.37** rubles towards purchase of medicines, hygiene products and instruments for the orphanage of v. Serzhantovo.

The purchase was made in stages through the pharmacy network of Dalnegorsk city. 10% discount was applied toward the entire purchase.

Even today, due to your selfless help, we have all the necessary medicines which are already being used toward the well being of our children! This supply will last us a long time.

Your help arrived very timely, since in the beginning of March we have experienced an outbreak of cold among children of pre-school and youngest school ages. With the help of the medicines, the outbreak was suppressed.

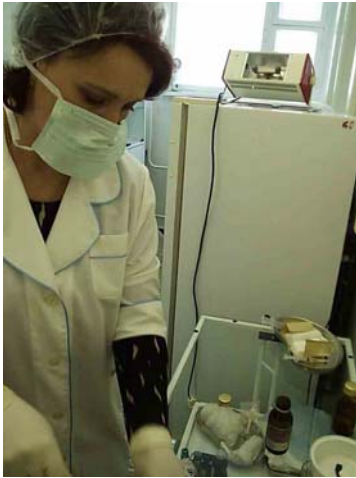

Purchased:

Medicines	-	28260.10 rubles
Hygiene products	-	3546.00 rubles
Instruments	-	6597.00 rubles
1. Sphygmomanometer	-	1
2. Stethoscope	-	1
3. Medical tray	-	1
4. Spatulas	-	60

3749.27 rubles left toward emergency medical assistance. (additional report will be provided on use of these funds)

Today, children of the orphanage are receiving full medical service. We are conducting vaccinations and preventative vitamin courses.

Medical staff, administration and children thank you for your timely help and wish you and your families health, happiness and prosperity!

v. Serzhantovo, Orphanage Director Yuri Bozhko
