To the Ascent Russian Orphan Aid Foundation

May, 17, 2005

Dear friends!

Please accept the gratitude from the children and the staff of the Serzhantovo orphanage for your kindness and compassion, for your financial help!

Man's greatest purpose is to create kindness. But the worst evil is abandonment of children. Children from 2 to 17 years old live in our house. We teach them, foremost, to be kind. Your example of kindness will remain for a long time in our memories, because the life in the country is harsh.

From our big and friendly family we wish health, happiness and prosperity to you and your families. Praises to your acts of goodness and a great respect to your DEEDS!

Orphanage Director.  
Yurij Alekseevich,  
Staff and the children
